

Dear Bill,

**You were a HUGE SUCCESS...
Wow will you have letters coming to you!**

I look forward to many more opportunities to work with you! Roy enjoyed meeting you and said to "Thank You" for your book. I liked that you had a first hand opportunity to meet some of our people and franchisees. We are a Great Group!

I spoke to a group of 25 Microtel owners, GM's and sales people yesterday. After I finished they said, "You should run for President."

Call me if can provide anything to "Thank you" for participating in the Conference and getting us pumped up for sales in 2008!

Thanks Again
