

How To Out-Sell, Out-Market and Out-Negotiate, But Never Out-Spend The Competition.

Your team will experience an immediate and measurable increase in sales productivity with a corresponding jump in top line revenue within the first 21 days.

This is our most requested seminar!

Bill Todd will share an arsenal of proven sales ideas, strategies and tactics being used by today's most successful sales professionals.

There is no theory presented in this seminar- only field tested facts, best practices and extraordinary sales tactics. Every new idea taught in this seminar can be implemented the moment your seminar is over,
