Dear Lauren,

Although I have thoroughly enjoyed working with your team, I must inform you that I must place your entire social media project on hold indefinitely.

This is simply due to a lack of any payment since you're the July 2020 invoice .

If you wish to restart your social media campaign, all that is required is to pay your August and September 2020 invoices.

Otherwise I wish you the best of luck and thank you for the opportunity to be of service.

Sincerely Yours

Bill Todd
